キミにきめた！

第1話

The Kanto region.

Masara Town.

ガバッ

AAAAH!!!
I oversleeeept!!

You said you could get up on your own now that you're 10, didn't you?

Mama, why didn't you wake me up?!

ドドドドド

I'm fine with either, just wait for me!

Zenigame! Fushigidane Hitokage!

they can receive a Starter Pokémon and set off on a journey as a Pokémon Trainer.

Hurry, hurry!

When children in this town turn 10,

Professor Okido! I'm here to receive a Pokémon!

Oh, Satoshi-kun. You're a bit late, aren't you?

This is Satoshi from Masara Town!

The day he's setting off on his journey has just arrived!!

But are you...

Zenigame, Fushigidane, Hitokage...

...really setting off in your pajamas?

Aah!!

Zenigame!!

I choose you as my Pokémon!!

but now I've made up my mind.

I've been having trouble deciding which of those three I'll take for a long time,

I choose you!

In that case... Fushigidane!

ピッピッ

Zenigame went with a kid that wasn't late.

You'll be the Pokémon I choose!

Ugh... Hitokage!

Fushigidane was taken by a kid that was on time as well.

Huh...?

ちょこん

と!

I don't have any Hitokage left either.

You misunder-stand.

Wait, Satoshi-kun.

カッ!!

Aw, Professor, you were just teasing me!

Wow, you DO have a Hitokage!

Hey you!

Stop rubbing your hands all over my Hitokage.

You left it in his care?

This Hitokage?

Kage! Kage!

Oh, I've been waiting for you.

Professor Okido,

I've come to pick up the Hitokage I left in your care.

so when I dropped by this laboratory some days ago,

I had the Professor take a look at it.

I got a pretty decent-looking Hitokage,

What was that?

Hey... you wouldn't consider letting me have that Hitokage, would you?

It's got a nice glint in its eyes. Its physique is solid as well.

but this guy's grown strong.

You wouldn't be able to tell,

Don't be stupid!

Do you seriously think I'd hand it over to the kind of irresponsible trash that's late for such an important day?

I'm setting off on my journey today, but...

There aren't any other Pokémon left.....

I was looking so much forward to setting off on my journey last night, and was so pumped up for it...

...I just couldn't fall asleep... That's why I ended up sleeping in this morning!

"Irresponsible trash"...?

When it comes to Pokémon, nobody takes things more seriously than me!

I'm not going to argue that!!

But it's my own fault I was late!

This'll do.

Come on, enter the monster ball.

That's the kind that fits them.

Trash should search for trash Pokémon.

Bye.

I'm Satoshi from Masara Town!!

Stop calling me trash!

And I am the man who will become the strongest Trainer of them all.

Heh...

SLAM

Well...

There IS actually one more, but...

WHAT?!

Do I have no choice but to set off on my journey without a Pokémon?

Professor Okido...

PLEASE GIVE IT TO ME!!!

That one remaining Pokémon has a slight problem with it...

Well, if you're THAT insistent...

キーん

I WON'T!!!

ソド本!

I wonder... if you might not regret saying that.

Pikachu!

It's a Pokémon called a Pikachu.

Let me introduce it to you.

This is... my Pokémon!

すぅ

My name is Satoshi! Nice to meet you!

It's so cute!!

ｷｬｯｷｬｯ

You're perfect!!

Huh?

Pikaaa!

GAAAAAAAAH!!!

so if you touch it in a rough manner, this happens.

ぷすぷす

It's shy and has difficulties getting used to new people,

It's also known as the electric mouse.

Thank you!

Well, in that case... Here's Pikachu's monster ball.

Really?

Th-This is nothing!!

Come on!

Let's set off on a journey together!

Pikachu, enter this monster ball!

And have lots and lots of different adventures!

Meet lots of different people!

Let's go to lots of different places together!

Here goes!

Thwack

Uh...?

Pokémon that become the partners of humans...

Oh man...

This Pikachu hates going into monster balls.

Chuuu..
....!

Okay?

Here!

ひょと

And you're a good boy, so come on, enter it.

GAAAAAAAAH!!

This is kinda... different from how I imagined the start of my journey would be...

Well, you see...

Why does this Pikachu hate monster balls?

Professor Okido...

When it comes to Pokémon, there are still many things we don't understand...

And each Pokémon's reasons for not wanting to enter a monster ball is that Pokémon's own. I'm just making guesses here, but...

Maybe Pikachu thinks monster balls seems scary or cramped,

Or it might be that it's brimming with curiosity and loves experiencing the world with its own limbs and its own body.

or maybe something happened to it in the past...

...that gave it some kind of aversion towards them.

In any event, it appears that some Pokémon just don't want to go into monster balls,

and only the Pokémon itself knows the reason for that.

You don't want to enter the monster ball no matter what, huh?

Hey Pikachu.....

Pi!

Let's ditch this rope too.

If you hate the thought that much, you don't have to.

Got it.

Pika Pika.

Do you hate me?

And I want to become friends with you!!

I like you!

Pi!

.....

Come on, let's shake hands!

This is the voice of a...!

Poppo Poppo

This is awkward .....

This is my chance to get my first Pokémon!

A Poppo!

Pikaaaa

All right, it's Pokémon battle time!
